

30 September 1969

MEMORANDUM FOR THE RECORD

Morning Meeting of 30 September 1969

The Director briefly discussed two items on today's 303 Committee agenda.

X1 [REDACTED]

X1 [REDACTED] reported that he advised Chairman Rivers directly with respect to the reported ChiCom nuclear test. He added that the report was much appreciated and predated coverage of this item in the press.

X1 Houston mentioned that he will be going to New York tomorrow

[REDACTED]

Parrott noted that the Director has received the joint OPRED letter signed by Deputy Secretary Packard. The Director commented that he has seen this letter and provided it to the Executive Director for review.

*The Director called attention to the minutes of the last 303 Committee meeting and asked the DD/S&T to check with [REDACTED] to see whether he is writing the paper referred to therein.

25X

The Director noted that he has asked the Executive Director and the DD/P to meet with him at 11 a.m. tomorrow to review OPRED in preparation for his attendance at the 2 October NSC Under Secretaries Committee meeting on this subject.

X1 The Director noted that the DDCI will host today's luncheon for

[REDACTED]

*The Director noted IN 54587, IN 54570, and an additional cable provided by the DD/P and asked the DD/P to focus on these matters and provide advice.
